ABOUT THE SCHOOL

The School of Computer Engineering, at the Kalinga Institute of Industrial Technology Deemed to be University, Bhubaneswar was formed in the year 1997. The School offers B.Tech., M.Tech., and Ph.D. programme. The School has a comprehensive curriculum that includes up-to-date courses on nascent topics, including all aspects of Computer Hardware and Software, emphasizing practical learning.

The School has state-of-the-art infrastructure and computing equipment supported by high-speed Ethernet and wireless networks. Our faculty members aim at delivering top class education by blending their rich research experience with classroom teaching. The School has undertaken research projects funded both by government agencies and private sectors.

The strategic commitment of KIIT Deemed to be University provides the road map for the journey towards excellence. These strategies include the Vision and Mission that would be instrumental in placing KIIT among the top academic institutions of the world. The strategies will create new opportunities for the faculties and the students to enhance knowledge, perform cutting-edge research, and develop professional skills. The ultimate aim is to provide the students with an educational training that emphasizes innovation, social awareness, and professional ethics and nurture leadership skills. A resourceful environment to promote creativity and entrepreneurship amongst researchers is also being developed while maintaining sustainable goals, upholding the values of the highest professional ethics, and enriching the lives of humanity.

Prof. (Dr.) Achyuta Samanta, Founder of KIIT & KISS, is an eminent educationist, philanthropist, and social worker. He spares no effort to groom our students in their chosen discipline and broaden their mindsets and create positive attitudes, thus equipping them with all qualities to make them an asset to society. At the forefront of his vision lay his unrelenting quest to ensure that millions of marginalized people across the country benefited from educational inclusion. His unparalleled initiatives have translated the dreams of many into a productive reality. His foresight, leadership, and determination propelled the KIIT group of institutions to attain many milestones. Still, most importantly, his philanthropic pursuits continue to comfort the lives of countless people in education, healthcare, and across the various section of society.

Prof.(Dr.) Achyuta Samanta and his work can be followed @

The University is ranked as one of the topmost Engineering Universities across the country by various survey agencies, as given in the **Appendix F**.

ORDINANCES

O.1 All B.Tech. programmes offered by the University shall be governed by the B. Tech Rules and Regulations.

O.2 Admission to B.Tech. degree program will be made through a KIIT Joint Entrance Examination (KIITEE) conducted by KIIT. Based on the KIITEE rank, the applicants will be called for **Single Window Counseling (SWC) process**, the applicants can select their branch of study as per their preference.

O.3 The University is fully residential and all students shall be required to reside in, and be members of a hostel to which they are assigned. Under special circumstances, the Director may permit a student to reside with his/her Parent/Guardian in the University campus or within a reasonable distance from the University.

O.4 A student becomes eligible for the award of the B.Tech. degree after fulfilling all the academic requirements and extra-academic activities in accordance with the regulations of the program approved by the Academic Council.

O.5 The University shall have the following B.Tech. branches under School of Computer Engineering:

- i. Computer Science & Engineering
- ii. Information Technology
- iii. Computer Science & Communication Engineering
- iv. Computer Science & System Engineering

O.6 Medium of instruction, examination and project reports will be in English.

O.7 Each academic session is divided into two regular semesters (Autumn & Spring) and one vacation semester (Summer) and follows an Academic Council approved schedule of academic activities.

O.8 To help the students in planning their courses of study, getting general advice on the academic programme and monitoring their activities, the concerned school will normally assign a faculty as Tutor Mentor for a group of students.

RULES & REGULATIONS

R.1 ACADEMIC CALENDAR

Each academic session is divided into two regular semesters of approximately fifteen weeks of classes duration per semester (with ninety working days): an Autumn Semester (normally July-November) and a Spring Semester (normally December-May). Further, there are one vacation semesters (Summer) of nearly 6-8 weeks duration as well.

The Academic Council approved schedule of academic activities for a session, including dates of registration, examinations, semester breaks etc. shall be laid down in the Academic Calendar of that session. The current academic calendar is given in **Appendix – D**.

R.2 COURSE STRUCTURE

R.2.1 Teaching of the courses shall be reckoned in credits; Credits are assigned to the courses based on the following general pattern: ·

- One credits for each lecture/tutorial period.
- Half credit per hour for each Laboratory, Practical, Project, or sessional.

R.2.2 In order to qualify for a B.Tech. degree of the University, a student is required to complete the credit requirement as prescribed in the curriculum for a particular programme. The credit requirements for a B.Tech. Degree in Computer Science & Engineering and Information Technology are given in *Table 1*.

Table 1: Total Credit details for B.Tech. Program

Sl. No.	Options for 4 year UG Program	Total credits required to complete the course	Remarks
1	"B.Tech." in an engineering major discipline.	155 Credits	
2	"B.Tech. with Minor" (minor in any other discipline than major discipline)	169 Credits	(155 credit B.Tech. + 14 Credit minor course work)
3	"B.Tech. with Honors"	164 Credits	(155 Credit B.Tech. + 9 Credit Honors course work).

In case of Computer Science & Communication Engineering and Computer Science & System Engineering credits are 156 and 154 respectively.

R.2.3 The course work requirements may be broadly divided into main groups of subjects given in *Table 2*.

Table 2: Group-wise Credit Requirements

Category	Credits Requirements
Humanities and Social Sciences (HS)	12
Basic Sciences (BS)	30
Engineering Sciences (ES)	19
Program Core (PC)	59
Program Electives (PE)	15
Open Electives	6
Projects/ Internship	14
Graduation Requirements	155

R.2.4 Every B. Tech. Programme will have a curriculum and syllabi for the courses approved by the Academic Council. The Board of Studies of the school will discuss and recommend the syllabi of all the undergraduate courses offered by the school from time to time to the Academic Council for consideration and approval. For all approved courses, the copyright will be with KIIT.

R.3 MINOR DISCIPLINE

R.3.1 A minor discipline is intended for a student to gain expertise in an area outside his/her major B.Tech. discipline.

R.3.2 In order to successfully complete a Minor, a student needs to take an additional 20 credits out of the courses defined in that minor basket. However, the 6 credits earned under Open Electives may be counted for Minor requirements if needed.

R.3.3 Students completing a minor will have the minor mentioned in the degree certificate and in the final grade card.

R.3.4 The minor courses are distributed over the 6th to 8th semesters of a B.Tech programme.

R.3.5 Students, who have completed all the credits required in the first four semesters of their studies with a CGPA of 7.5 or above, are eligible for a minor discipline after the end of 5th semester.

R.3.6 Applications for joining a minor discipline must be submitted by intending eligible students in the prescribed form. The academic section will call for applications at the end of the 5th semester of each academic year and the completed forms must be submitted by the last date specified in the notification.

R.3.7 The number of seats in each minor discipline is decided by the Academic Council. The intake in every minor discipline will be notified by

the academic section at the time of calling applications. However, a minor discipline will not be available if the number of applicants in that discipline is less than five.

R.3.8 Students may enlist their choices of a minor discipline in order of preference, to which they wish to join. It will not be permissible to alter the choices after the application has been submitted.

R.3.9 Selection to minor disciplines shall be made strictly in order of merit of the applicants. For this purpose, the CGPA obtained at the end of the 4th semester shall be considered.

R.3.10 Joining the minor disciplines carried out in accordance with the above rules will be effective from the 5th semester of the applicants concerned. No change of minor discipline shall be permitted after this.

R.3.11 A student with only minor courses remaining as backlogs at the beginning of a semester (other than a Summer semester) will be deemed to have completed the B. Tech. programme and he/she will be awarded a B.Tech. degree without a minor.

R.3.12 A student can opt out from the Minor discipline by expressing his/her intent in the prescribed form. Once a student opts out, he/she will not be allowed to rejoin the Minor discipline.

R.4 HONOURS COURSES

R.4.1 Students may opt for a B.Tech (Honours) degree. Students completing a B.Tech (Honours) will have the Honours mentioned in the degree certificate and in the final grade card.

R.4.2 The additional credit requirements for a B.Tech (Honours) will be 9 credits. The Honours courses will spread over the 7th & 8th semesters of a B.Tech programme.

R.4.3 Students who have completed all the credits required in the first five semesters of their studies with a minimum CGPA of 8.0, will be eligible for a Honours after the end of 6th semester.

R.4.4 Applications for joining a B.Tech (Honours) must be submitted by intending eligible students in the prescribed form. The academic section will call for applications at the end of the 6th semester of each academic year. However, a B.Tech (Honours) will not be available if the applicants in that discipline is very less in number.

R.4.5 Student having backlog in Honours courses alone, will be deemed to have completed the B. Tech. programme and he/she will be awarded a B.Tech. degree without a Honours.

R.5 COURSE COMMITTEE

R.5.1 The Course Committee consists of all faculty members assigned to the course to monitor the conduct and progress of the course in a semester. One faculty member will be assigned as the Coordinator. There will be one Course Committee for each set of courses being offered in a semester.

R.5.2 The Course Committee shall meet at least thrice in a regular semester: first at the beginning of the semester, second and third before the mid-semester and end semester examinations respectively. After each meeting of the Course Committee members, the coordinator shall meet separately with the student representatives for confidential feedback.

R.5.3 The basic responsibilities of a Course Committee are to:

- i. Prepare a common course plan (lesson plan, course outcome, course objective, activity schedule, evaluation scheme, text and reference books etc.)
- ii. Review periodically the progress of the courses.
- iii. Discuss any issues concerning the conduct of the classes.
- iv. Decide distribution of the weight for tests, quizzes, assignments, laboratory work, etc. This should be done in the first Course Committee meeting.

R.5.4 For any difficulty related to a course, the student is expected to approach the respective course coordinator for advice and clarification.

R.5.5 The course coordinator will communicate the minutes of the Course Committee meetings, especially those of the first and second Course Committee meetings, to the Dean.

R.6 REGISTRATION

R.6.1 Enrollment from the second semester onward. All students will have to report and register/enroll on a day specified in the Academic Calendar at the beginning of the semester through the online portal (SAP) of the University.

R.6.2 A student will be eligible for enrollment only if he/she satisfies the conditions under promotion criteria and will be permitted to enroll only if he/she has cleared all dues to the institute up to the end of the previous semester, provided he/she is not debarred from enrollment, on disciplinary grounds.

R.6.3 If a student fails to report on the specified date, he/she may be allowed by the Dean to enroll within one week from the reporting date with a fine. The amount of fine will be specified from time to time.

R.6.4 Under exceptional circumstances, a student may be allowed to enroll after one week of enrollment date with permission from Chairperson, Academic Council through Tutor Mentor and the Dean.

R.6.5 The student must register for the backlog courses first giving priority to the oldest backlogs.

R.7 ATTENDANCE

R.7.1 Students are required to attend all the classes (Lectures/ Tutorials, Laboratories, Sessional, Workshops etc) for which they have been registered.

R.7.2 For the purpose of attendance calculation, every scheduled lecture, tutorial or practical class will count as one unit irrespective of the number of contact hours.

R.7.3 A student will be debarred from appearing in an end semester examination if his/her attendance falls below 75% and will be awarded an "I" grade in that course.

R.7.4 Leave of Absence: If the period of leave not exceeding two weeks in a semester, prior application for leave shall have to be submitted to the respective Dean stating fully the reasons for the leave requested for along with supporting document(s). Dean may condone, if prior application could not be made for any unavoidable reasons.

R.7.5 In case the period of absence is likely to exceed two weeks, an application for grant of leave will have to be submitted through the Dean to the Director with supporting documents for sanction of leave.

R.7.6 The leave of absence will not be condoned for attendance.

R.7.7 It will be the responsibility of the student to intimate the Warden of the hostel in which he/she is residing, and the concerned instructors regarding his/her absence before availing the leave.

R.7.8 In exceptional circumstances, Director in consultation with the Chairman, Academic council may relax any of the above requirements.

R.8 ASSESSMENT PROCEDURE – TESTS AND EXAMINATIONS

R.8.1 The system of assessment procedure may vary from course to course. The theory course consists of the following components:

- i. Activities (30%): Components as part of the assessment procedure such as surprise quizzes, assignments, projects, practical tests, viva voce etc. as per the requirements of a course.
- ii. Mid-semester (20%): there shall be one mid-semester examination, generally of 1 hour duration.

- iii. End-semester examination (50%): there shall be one end-semester examination, generally of three hours duration.

R.8.2 The general practice for practical courses follows continuous assessment (60%) and end semester exam (40%).

R.8.3 In sessional courses, 100% assessment is made in the class.

R.8.4 The detailed break-up of marks for various components of the assessment procedure have to be announced and recorded in the first Course Committee meeting. The Dean (Academics) should be informed about the scheme of evaluation of a course after the first Course Committee meeting.

R.8.5 Students who have missed the regular activities for valid reasons may request for make-up activities to the respective course instructor. If the course instructor is satisfied with the explanation provided by the student, he/she may conduct the make-up activities.

R.8.6 Students who have missed the mid-semester/laboratory/ sessional examinations for valid reasons may request for a make-up examination to the respective course instructor within ten days from the date of the examination missed. If the course instructor is satisfied with the explanation provided by the student, he/she may conduct the make-up exam either during the make-up exam slots mentioned in the Academic Calendar or as per the convenience of both the parties. If the instructor is not satisfied with the explanation, he/she may reject the application.

R.9 GRADING SYSTEM

R.9.1 The performance of a student in a course is denoted by a letter grade. The letter grades, their interpretation and the corresponding grade points are given in *Table 3*.

R.9.2 The I-grade indicates a temporary grade and that a part of the total requirement of the course remains to be completed and that the student has done satisfactory work in all other aspects of the course. The student is required to complete this small part within a prescribed date, generally within one month of the start of the following regular semester, and the course instructor will amend the I-grade to a regular grade within this period. If the conversion to a regular grade is not done within one month of the start of the following regular semester, the I-grade will automatically be converted to an F grade.

Table 3: Score – Grade Mapping

Grade	Score on 100	Grade Point value	Interpretation
O	90-100	10	Outstanding
E	80-89	9	Excellent
A	70-79	8	Very Good
B	60-69	7	Good
C	50-59	6	Average
D	40-49	5	Below Average
F	Below 40	0	Fail
I			Incomplete

R.10 GRADE SHEET

R.10.1 The grade sheet issued at the end of a semester to each student will contain the following:

- The course number, course name and the credits for each course registered in that semester.
- The letter grade obtained in each course
- The total number of credits earned by the student upto the end of that semester
- The Semester Grade Point Average (SGPA) for that particular semester
- the Cumulative Grade Point Average (CGPA) of all the courses taken from the first semester

R.10.2 At the end of the program, Final Grade Report (FGR) containing details of all the courses taken by the student mentioning the overall CGPA will be issued along with the Degree certificate.

R.10.3 Semester Grade Point Average (SGPA)

The performance of a student in a semester is indicated by SGPA, which is a weighted average of the grades in all the courses done by the student in the given semester.

SGPA is defined as follows:

$$SGPA = \frac{\sum (C \times GP)}{\sum C}$$

where C is the credits of a subject item, GP is the grade point corresponding to the grade obtained in that subject items and the summation is taken over all the subject items registered in that semester, including those in which the student has secured F grades but excluding those in which he/she has been assigned an “I” grade.

R.10.4 Cumulative Grade Point Average (CGPA)

The performance up to any time in the course of the student's program is indicated by the student's CGPA, which is also calculated by the formula used for SGPA calculation, except that the averaging is done over all of the courses and credits that the student has taken during his/her entire program up to that point.

R.11 DECLARATION OF RESULTS

R.11.1 The Course instructor will display the marks awarded to the students along with their copies after completion of evaluation. If a student has grievances about the marks of a particular course, he/she will contact the concerned course instructor within two days. If the course instructor/chief examiner feels that the case is genuine, he/she may re-examine the case and put a revised mark, if applicable. No request after the deadline (two days) will be considered.

R.11.2 The evaluation pattern and all assignments, quizzes, exams etc. used in evaluation shall be posted on the course Moodle page.

R.11.3 The Course Committee will sit for analysis of the results and finalize the grades. After finalization, the course instructor will upload the marks of the students in a course on SAP portal in the prescribed format. The Controller office will compile all the results and announce the same to the students through E-mail and through SAP student self service portal of the University.

R.12 SUPPLEMENTARY EXAMINATION

R.12.1 A supplementary examination will be held annually at the end of each academic year for 1st, 2nd, 3rd & 4th year before the start of the next academic session for the current level theory subjects only.

R.12.2 The students will be allowed to appear for their failed papers in the current level subject to a maximum of 50% (ceiling value) of the total subjects for the current academic year (both spring and autumn semesters).

R.12.3 A student will ordinarily be assigned one Grade less than he/she actually obtains in a subject item in the supplementary examination subject to a minimum of C Grade or below, which would remain unchanged.

R.12.4 However, there will not be any grade loss for a subject in the supplementary examination for a student who satisfy attendance criteria in the summer term classes.

R.12.5 A student will not be permitted to appear the subject in the supplementary examination, which is canceled as a disciplinary measure for adopting unfair means in the end semester examination.

R.12.6 Students debarred in the annual examination must satisfy attendance criteria in summer classes to appear supplementary examination. Those students may opt for fresh internal evaluation ((i.e. quiz, assignments, mid-semester marks etc.).

R.12.7 A student, who misses the end semester examination for one/more theory subject(s) for any genuine reason like medical ailments or mishap in the family, will be allowed to appear for those subjects in the supplementary examination without reduction in grade with the approval of the Vice Chancellor.

R. 12.8 Students can appear in the supplementary examination for improvement of their grades for maximum 3 of the theory subjects in the current level where the grades are C or D and there will not be any grade reduction.

R.12.9 Generally, the end semester exam alone is given as the supplementary examination and the continuous evaluation marks (i.e. quiz, assignments marks etc.) earned by the student in the original semester will be taken into account for calculating the final marks.

R.13 SUBJECTS REGISTRATION FOR GRADE IMPROVEMENT

REGISTRATION OF SUBJECTS FOR IMPROVEMENT OF GRADE

R.13.1 A student can register fresh in maximum 3 (three) numbers of theory subjects, where he/she has passed, to improve his/her grade in those subjects. The number of available subjects (N) for a student is the difference between 3 and his/her number of backlog subjects. ($N = 3 - \text{number of backlog subjects}$)

R.13.2 The student will register at the beginning of the semester only in the subsequent year.

R.13.3 The student will go through the same schemes of evaluation (such as activities, mid semester examination and end semester examination) as applicable to the students in the regular subject(s) registration.

R.13.4 The final grade in the subject, where student registers for improvement, would be the best between the grades secured in the regular registration and improvement registration.

R.14 SUMMER VACATION SEMESTERS

R.14.1 The summer vacation semester courses will be offered to clear the backlog courses of the students and for students who wish to spend a semester off-campus based on the availability of the course instructors.

R.14.2 No student should register for more than three vacation semester courses during a particular vacation semester.

R.14.3 A student has to pay a fee for each credit registered in the vacation semester.

R.14.4 The assessment procedure for a course will be similar to that of a regular semester course.

R.14.5 Withdrawal from a vacation semester course is not permitted.

R.15 INTERNSHIP

R.15.1 As part of the B.Tech. curriculum, the students are required to do an industrial internship in India for a minimum period of 4 weeks, during the summer vacation following the 4th semester or any subsequent vacation before the final semester. Only in exceptional situations and only with approval from the respective Dean (Academics), a student will be allowed to do this internship at other time periods.

R.15.2 The internship must be done in a technology oriented public/private sector company/industry or in reputed research/ academic organizations, such as CSIR, DRDO, BARC IIT.

R.15.3 Internship with start-up companies, which are not registered yet, will not be considered.

R.15.4 On successful completion of the internship, two credits will be awarded to the student for the same. These credits will be counted towards SGPA/CGPA calculations.

R.16 SEMESTER EXCHANGE

R16.1 KIIT has memorandum of understanding (MoU) for semester exchange visits with some eminent academic institutions in India and abroad. Selection of candidates for such exchange visits will be done through a competitive process.

R.16.2 Selected students can go on exchange visits for one or two semesters. If the student goes on semester exchange visits for two semesters, these two semesters can be contiguous.

R.16.3 The semester exchange programs can only be undertaken with those institutes with whom KIIT has an MoU for such visits.

R.16.4 Credits and grades earned during semester exchange visits will be converted to KIIT equivalent credits and grades as per the Academic Council approved conversion criteria in each case.

R.17 ELIGIBILITY FOR AWARD OF THE B.TECH. DEGREE:

R.17.1 Promotion: A student needs to satisfy the below mentioned conditions to be eligible for promotion from **ith** to **(i+1)th** year (to the next higher level):

- i. Number of backlog subjects should not be more than **5(five)** at the **ith** year considering both the semesters in an academic year.
- ii. No backlogs at any stage below **ith** year (i.e. (i-1)th or (i-2)th year)
- iii. No suspension for a specified period by the University disciplinary committee and has not been denied the privileges of a Regular student at the time which admissions to higher levels is in progress.

R.17.2 Degree requirement: In order to qualify for a B. Tech Degree of the University a student must:

- i. complete all the credit requirements for the Degree as laid down in the prescribed curriculum of the discipline with a minimum of D grade in every theory and a minimum of C grade in every practical & sessional item.
- ii. secure a CGPA of 6.0 or higher at the end of the semester in which he/she completes all the requirements for the Degree
- iii. clear all institutional and hostel dues of the University.
- iv. have no disciplinary action pending against him/her.

R.17.3 Readmission:

A student whose academic program is terminated under any of the above conditions may appeal to the Chairperson, Academic Council through Tutor Mentor and Dean (Academics) for mercy and a second chance to re-enroll in the program. The Chairperson, Academic Council may take appropriate decision on such applications on behalf of the Academic Council and the same shall be reported to the Academic Council.

R.18 MAXIMUM DURATION OF THE PROGRAM

R.18.1 The maximum permitted duration of each programme is determined in terms of number of registered regular semesters, herein after called registered semesters. Any semester in which a student has registered for a course will be called registered semester subject to the following:

(a) Only the first and second semesters of an academic year can be registered semesters. The summer semester will not be considered as a registered semester.

(b) A semester when a student has been granted withdrawal or granted leave will not be considered as a registered semester.

(c) The semester when a student is suspended from the Institute on disciplinary grounds will not be counted towards the number of registered semesters. The summer semesters falling in between the permitted registered semesters shall be available for earning credits.

R18.2 The maximum permissible number of registered semesters for completing all degree requirements for the B. Tech. degree is twelve (12). If a student opts for the slow-paced programme, then the maximum permissible number of registered semesters shall be increased by two semesters.

R.18.3 Semester Break/Temporary withdrawal from the Program: A student may be permitted by the Dean (Academics) to obtain semester break or temporary withdrawal from the program for a semester or longer duration for reasons of ill health or other valid reasons. Normally, a student will be permitted to withdraw from the program only for a maximum continuous or intermittent period of two semesters during the whole program duration.

R.19 SCHOLARSHIPS

R.19.1 Various types of scholarships have been instituted by the University for encouraging the meritorious students. The quantum and period of scholarships are subject to change from time to time as decided by the Academic Council. The details of various scholarships available for students shall be displayed on University Website from time to time.

R.19.2 Pradyumna Bal Memorial Scholarships: This scholarship is instituted in the memory of Late Pradyumna Kishore Bal, Founder President of KIIT. Every year two economically challenged but meritorious students are provided completely free education under this scholarship scheme. The scholarship covers college fees, hostel dues including mess, books and any other ancillary expenses.

R.19.3 KIIT Merit Scholarships: KIIT Merit Scholarship is awarded to the semester toppers (1st, 2nd & 3rd position) of each semester in each branch for a period of six months. The quanta of scholarships are subject to change from time to time as decided by the Academic Council.

R.19.4 KIITEE Merit Scholarship is awarded to KIITEE General Rank holders from rank 1 to 1000 for a period of 4 years, during the study period at Kalinga Institute of Industrial Technology (KIIT), Deemed to be University. KIITEE Merit Scholarship holders will not be awarded with KIIT Merit Scholarships. The quantum of scholarships are subject to change from time to time as decided by the Academic Council.

R.19.5 The student must satisfy the following terms and conditions for availing scholarship from KIIT:

- i. Maintain at least 75% attendance in each semester to be issued by Dean (Academics).
- ii. Secure at least 7.5 SGPA in each semester and clear all the papers in single sitting (no back paper) to be issued by Controller of Examinations.
- iii. Not indulge in any indiscipline activity to be issued by Director, SA.

R.19.6 In the cases of scholarships provided by private organizations, the rates and terms and conditions for the award of such scholarship shall be as approved by the Academic Council.

R.19.7 In the case of the SC/ST candidates, the award of scholarships and other benefits will be in accordance with the rules framed or amended by the Government of India/Odisha from time to time.

R.19.8 The Dean (Academics) will lay down the administrative procedures to be followed in the selection of students for the award of various scholarships consistent with existing Government regulations if any. The number and names of the candidates selected for various scholarships will be reported to the Academic Council.

R.20 STUDENTS' CONDUCT AND DISCIPLINARY CODE

R.20.1 Objectives and Scope of the Code

The objective of Students' Conduct and Disciplinary Code is to protect the right of all members of the KIIT community and to maintain an atmosphere in the community appropriate for a University of higher education. The student discipline system is designed for an educational system and does not function as a court of law. Therefore, procedural issues, including the introduction and consideration of evidence, are handled in a manner consistent with that educational focus.

The student will give an undertaking at the time of joining a course in this University to comply with the provisions envisaged in this code in letter and spirit and even if it is not given, he/ she will be bound by the provisions of this code. The student community should become familiar with and strictly adhere to the rules envisaged in this code.

Any student exhibiting prohibited behavior mentioned in this code shall be subjected to disciplinary sanctions depending upon the gravity of the misconduct or depending on its recurrence. No refund or credit of tuition fees, or other costs associated with attendance of the University will be made to students when disciplinary sanctions are imposed which result in the student's being deprived of privileges and/ or access to services

R.20.2 Student found responsible for the violation of the Code of Conduct of the University outlined herein is subject to disciplinary sanctions.

- i. Any violation of any sort pertinent to the Indian Penal Code.
- ii. Violation of any policies, rules, or regulations published time to time by KIIT.
- iii. Conducts that interfere with the disruptions or obstructions of teaching, research, administration, or other KIIT activities.
- iv. Ragging in any form is prohibited in the premises of KIIT campus.
- v. Failing to comply with orders or directives of KIIT officials, University hearing bodies, Security Personnel, or any other law enforcement officers acting in the performance of their duties.
- vi. Furnishing false or misleading information to a member of the faculty, staff, student, or law enforcement official acting in an official capacity.

S.5 STUDENT ACTIVITY CENTER:

KIIT Student Activity Centre (KSAC) aims to bring all students of the university under one roof with objective of establishing a common ground for extra-curricular activities as well as ensures a holistic environment for sharing of talent, culture and innovative ideas. KSAC governs 28 official Student Societies of KIIT in a varied range such as music, dance, painting, photography, film, designing, theatre, fashion, Quizzing, marketing & Finance, IT & Web, Robotics, Aeronautics etc. Students can join their society of choice and carry forward their passion, interest & hobbies. KSAC provides well equipped facilities for students such as dedicated dance floor, Jam rooms, stage with podium and Auditorium. KSAC organizes major student events like KIITFEST, the annual Techno-cultural fest; KIIT International MUN; Udghosh, the National Open Quiz; Pratijja, Asian Parliamentary Debate; TEDxKIITUniversity and so on. In addition, KSAC organizes a plethora of online & offline engagement activities, workshops, alumni-student interaction programmes and celebrates different festivals & days. The student members of KSAC are also involved in many outreach and community engagement activities throughout the year.

Moreover all major festivals are also celebrated at KIIT by KSAC. The details about student activity center is also given at: <https://ksac.kiit.ac.in/>

S.6 STUDENT COUNSELLING CELL:

Counselling is a guidance programme intended for students in different situations for different services in the areas of career and attaining overall competency. KIIT counselling cell guides the students in advancing their career and at the same time making them psychologically strong to handle the stresses of a successful career. It offers solution focused and student-centered approach. Also, the Counselling Cell guides in providing International academic exposure through semester exchange programme, internship short term courses and cultural exchange programmes.

The details about student counseling cell is also available at: <https://kiit.ac.in/student-counselling/>

S.7 COMPLIANCE CELL:

The School promotes single-window assistance to students through compliance cell. Students put forth all types of requests (grievances/ complaints/ requirements) to the cell. Some requests are directly resolved by the cell in consultation with the Director/Dean. Others are forwarded to the designated unit/department/post for serving the request. However, in the current pandemic situation, your online application needs to adhere to the following procedure to serve all your requests quickly:

- Objective of your request must be mentioned clearly.
- Every application must contain Full Name, Roll No, Branch, Semester, and Contact No.
- The application should be sent to the Email ID as mentioned in the Annexure against each nature of the requirement.
- Requirements, those are not mentioned in the Appendix - H, can be forwarded only through your Tutor Mentor to Dean / Director.

The point of contacts for different requirement redressal is given in **Appendix – G**.

S.8 ICT CELL

The School ICT cell is managed by ICT Manager with few staff members deputed from the University ICT cell. Responsibilities of Manager include:

- Maintain inventory of supplies, places orders and records of maintenance activities for the software, hardware, computer network, server and other electronic gadgets.
